Section 2: Waiting Periods and Limitations

2.1 Pre-Existing Diseases (PED) Waiting Period:

Under this Optima Secure policy, any pre-existing medical condition (PED) disclosed in the proposal form has a waiting period of exactly 36 months of continuous coverage.

2.2 Initial Waiting Period:

A waiting period of 30 days applies to all illnesses, except accidental injuries which are covered from Day 1 without waiting period.

2.3 Specific Illnesses Waiting Period:

A 24-month waiting period applies to Cataract, Hernia, Hydrocele, Piles, Sinusitis, Joint Replacement surgery, and benign prostatic hypertrophy.

2.4 Maternity Benefits Waiting Period:

Maternity and newborn child benefits are not covered under base plan unless the optional Maternity Rider is endorsed, which carries a strict 24-month waiting period.

Section 3: Room Rent, ICU Charges & Hospitalisation Coverage

3.1 Room Rent Limit:

Optima Secure policy has ZERO room rent capping or sub-limits. The policyholder may select single private AC room with no proportional deduction on associated medical bills.

3.2 ICU Charges:

Intensive Care Unit (ICU) charges and monitoring fees are fully covered up to the Sum Insured.

3.3 Day Care Procedures:

All day care procedures requiring less than 24 hours hospitalisation due to advanced medical technology are covered up to the full Sum Insured.

3.4 AYUSH Hospitalisation:

In-patient hospitalisation under Ayurveda, Yoga, Unani, Siddha, and Homeopathy (AYUSH) is covered up to 100% of the Sum Insured in government or Quality Council accredited hospitals.

Section 4: Value Added Riders & Special Benefits

4.1 Emergency Air Ambulance:

Air ambulance expenses are covered up to a limit of INR 2,50,000 per hospitalization, subject to certified medical necessity for immediate transit to a tertiary hospital.

4.2 Robotic and Modern Treatments:

Robotic surgery and stereotactic radio-therapy are covered up to the full Sum Insured, subject to a mandatory 10% co-payment payable by the insured.

4.3 Automatic Restoration Benefit:

100% automatic restore of basic Sum Insured is triggered once per policy year upon partial or full exhaustion, available for subsequent hospitalisations for unrelated illnesses.

Section 5: Permanent Exclusions and Conditional Exceptions

5.1 Permanent Exclusions:

Cosmetic and plastic surgery, intentional self-inflicted harm, unproven experimental therapies, and adventure sports injuries are permanently excluded from coverage under this policy.

5.2 Obesity / Bariatric Surgery Exception:

Bariatric surgery is excluded, EXCEPT when body mass index (BMI) is greater than 40 and supported by senior medical specialist certification of severe cardiac or sleep apnea conditions.

5.3 Dental Treatment:

Out-patient dental treatments are excluded, UNLESS necessitated by accidental injury requiring 24-hour in-patient hospitalisation under general anesthesia.
